

National Youth Leadership Training Participant Application

The East Texas Area Council Training Committee is committed to making NYLT a very special experience. Scouts, Ventures, Sea Scouts, and Explorers will live in a patrol setting at the George W. Pirtle Scout Reservation where they use their leadership skills to resolve exciting and challenging outdoor situations. The event will conclude with a closing challenge for each Scout to build upon what they have learned throughout the week.

NYLT will equip youth leaders to be better unit leaders, and leave young people with invaluable life skills. It will help guide their journey to become true “servant leaders,” able to develop all members of whichever team they lead. It provides life skills for now and the future.

Course participation is limited, so send in your application ASAP!
